Jack Rose, Esq.

Jack,

I do not think we should commission Mr. Wegner at this time. This is absolutely no reflection on his qualifications, or anything else. But I have two concerns:

1. we have not made any long-term decision concerning the continuation of the Equestrian programme. It is a big commitment for a student to make, and a long-term one. We will need to see how viable this will be for the future.
2. we have not established a principle concerning levying an extra charge on students and seeking a cadet income for the instructor. If we call Driver Training a Cadet activity, why should we not appoint the instructors also as Cadet officers?

I should like to go over these matters rather carefully with you and others and feel therefore that we should not push this application through before we know where we stand for the fall of 1978.

Dear Dick -

Just a note to congratulate you and the School for the fine turn out of the Cadets on the 1st. Perhaps shorter hair helped but I thought the parade was even smarter than last year.

Sincerely,

Jack,

There is nothing we can do about this this year, but I think it is probably a reasonable criticism. Could you make a note for the future?

Richard A. Bradley Esq.,

JUN - 7 1978

Dear Richard:

It has been pointed out to me, by my brother, that an error was made in the selection of the winner of the McIntyre-Cassels Rosebowl for 1977-78.

My brother, Jamie McIntyre, and John Cassels were the Drum Sergeant Major and Captain, respectively of the band in 1966. It was that year that they donated the rosebowl, to be awarded to the best N.C.O. in the band. It was their intention that that person would be selected by the Sergeant Major and the Captain. This being the case, the Sergeant Major, even though an N.C.O., should not be the one to be awarded the prize. The object was to give incentive to someone perhaps aspiring to one of those two positions.

I think both Jamie and John would like to feel that this matter will be corrected next year.

For your consideration!

Yours truly,

*George Mitchell*

P.S. I do not mean by this that Conn Smythe did not do a wonderful job, but I'm sure you can see that the purpose is somewhat defeated!

Brigadier General A. G. Christie  
Commander Special Service Force  
Canadian Forces Base  
Petawawa, Ont.

Dear General Christie,

I must apologize for my delay in writing to thank you for coming to Ridley for our Annual Inspection. Unfortunately, I had a short bout of bronchitis in the days following your visit, and I am very much behind in my correspondence.

First, I want to thank you for finding time (when you were so extremely busy) to come to Ridley. We very much appreciated this. Second, your visit was characterized by a great interest in all that we are trying to do and a genuine friendliness. These things were much appreciated by the students as well as by the staff.

You will be glad to hear that your half-holiday was a great success. Nobody came back from Victoria Day Weekend until noon on Tuesday. I am not really sure how much serious academic endeavour took place for the rest of that day! But it was kind of you to grant this to the students, and I believe myself that they had worked hard for it.

We thank you once more for coming to Ridley. Mary joins me in sending all good wishes, and our hopes that we shall see you again before long.

Incidentally, I do want to send our sympathy to you, concerning the tragic loss of those three children of Petawawa staff in Algonquin. I formed the impression that you already had a number of anxieties, and could have done without any more, let alone such a tragic one.

BRIGADIER-GENERAL ANDREW GEORGE CHRISTIE, CD

Brigadier-General Christie was born in London, Ontario October 5th 1936.

He began his military career in September 1954 as an Officer Cadet at the College Militaire Royal de St Jean Quebec and on graduation in August 1957 was posted to 1st Battalion The Black Watch (Royal Highland Regiment) of Canada as Second-Lieutenant.

He was promoted to Lieutenant on 1 May 1959, to Captain on 1 March 1963 and in May of that year was posted to Headquarters 3rd Canadian Infantry Brigade Group at Gagetown, New Brunswick as General Staff Officer 3 (Intelligence). In April of 1964 General Christie was posted to Headquarters Nicosia zone with the Canadian Forces on United Nation duties in Cyprus as General Staff Officer 3 (Operations).

On return from Cyprus he held the same position with Headquarters 2nd Canadian Infantry Brigade Group in Petawawa, Ontario. After attending the Canadian Army Staff Course in 1965/66 he was posted to The Combat Arms School at Borden, Ontario as Secretary of the Infantry Board, and was promoted to Major in August 1967.

## Expeditions Training

1. We will have approx. 42 students for each six-week period
2. The individual training groups should be small - 7 people?
3. We will need 6 instructors.
4. The standard and extent of the training should be as good as we can make it in the available time; 1 hour per session
5. Some suggested areas of training:
  - a) camp cooking and menu planning
  - b) equipment familiarization and packing
  - c) emergency first-aid and accident procedure
  - d) use of axe and saw; firelighting in all weathers
  - e) ropework (knots, primitive shelters, tripods, etc.)
  - f) winter camping lecture (D.of E. information)
6. We need to discuss the program. What about these areas?
7. Was last year's initial hike sufficiently demanding?
8. Are we achieving enough at this introductory stage?

Director of Education,  
Lincoln County Board of Education,

Dear

Thank you very much for allowing Ridley to use the facilities at Ferndale last year. The course was a great success and much appreciated by the boys. The credit certainly goes to John Sitak, who provided first-class instruction and was respected and well-liked by the students.

With your permission, we would very much like to continue this programme at Ferndale during the period September to May 1977/1978. Mr. Sitak has agreed to be in charge of this course.

Thank you very much for your assistance.

With all good wishes,

I remain,

Yours sincerely,

EJR:c

E. J. Rose (Major)  
Commanding Officer.

I know this is desperately short notice, and therefore apologize. But I wonder if we could meet at my house at 8:15 tomorrow evening (Thursday) to put together the proposals emanating from the June officers meeting and the requirements of the present year? Jack Rose and I have done a good deal of preparatory staff work on this, but it does need polishing up.
